

Pennsylvania ProStart Student Invitational 2022

PRLA and its Educational Foundation will be hosting the sixth annual Pennsylvania ProStart® Student Invitational on February 23, 2022, at the Penn Stater Conference Center Hotel. Students from all over the state who participate in the ProStart program will compete against their peers in the culinary and management competitions.

MANAGEMENT COMPETITION

Management teams develop a proposal for the next hot restaurant concept and present it to a panel of judges. Their ability to think on their feet will be tested as they solve challenges managers face on a daily basis.

CULINARY COMPETITION

The culinary competition highlights the creative abilities of each team through the preparation of a three-course meal in 60 minutes, using only two butane burners and with no access to running water or electricity. They are evaluated on taste, skill, teamwork, safety and sanitation.
