

FREE Pharmacy Discount Card

Looking for ways to reduce the high cost of turnover and absenteeism? Help attract and retain employees and increase their productivity with this free solution.

- **Saves employees and their families up to 75%** (average savings of about 40%) on all FDA-approved prescription medications.
- Accepted at more than **62,000 pharmacies** nationwide.
- Cards are **pre-activated** and easy to use; no registration is required.
- **No fees** are associated with using this card.
- Administered through OptumRx®. This discount card program is **not insurance**.
- Each time the card is used to fill a prescription, the **National Restaurant Association Educational Foundation** and its state partners receive a portion of the proceeds.

Send your employees to HospitalityRxCard.com to download a free card and start saving immediately!
